Ms. Diane C. Stewart, Chairperson
Middleborough Board of Selectman
Town Hall Building
10 Nickerson Ave
Middleborough, MA 02346

Dear Ms. Stewart:

The Department of Housing and Community Development (DHCD) approves the Town of Middleborough's Housing Production Plan (HPP) pursuant to 760 CMR 56.03(4). The effective date for the HPP is June 16, 2016, the date that DHCD received a complete plan submission. The HPP has a five year term and will expire on June 15, 2021.

Approval of your HPP allows the Town to request DHCD's Certification of Municipal Compliance when:

- Housing units affordable to low and moderate income households have been produced during one calendar year, totaling at least 0.5% (45 units) of year round housing units.
- All units produced are eligible to be counted on the Subsidized Housing Inventory (SHI). If you have questions about eligibility for the SHI, please visit our website at: www.mass.gov/dhcd.
- All units have been produced in accordance with the approved HPP and DHCD Guidelines.

I applaud your efforts to plan for the housing needs of Middleborough. Please contact Phillip DeMartino, Technical Assistance Coordinator, at (617) 573-1357 or Phillip.DeMartino@state.ma.us, if you need assistance as you implement your HPP.

Sincerely,

Subject: Welcome to Krazy Days! - Booth Assignment S. Main Street Group 1 8:30 AM

Hi Everyone!

We are so excited for Krazy Days this year. We have set up the move in process a little differently than in past years. We are hoping to reduce some of the chaos that comes with 180 vendors all converging on downtown at the same time. All of them hoping to get to their space as quickly as possible on a road that is closed! LOL

You are the first group to move into your booths on South Main Street. Your move in time is at **8:30 AM**. The streets will be closed at this time so you will need to arrival at Krazy Days at the corner of Nickerson Ave and S. Main Street (this is right next to the Town Hall Lawn. When you approach the road closure, a member of the Krazy Days Committee will meet you at the barrier and be able to direct you to your space. Another volunteer will be available to assist a little further into the festival should you need it.

We are asking that vendors unload their vehicle and remove it from the festival area within 15 minutes so when the next group arrives, you are not boxed in. Attached some more info for you and your booth assignments are listed below. Please contact us with any questions.

Thanks so much!

The Krazy Days Committee

WELCOME TO KRAZY DAYS!!!

We are so happy to welcome you to Krazy Days 2016. Please take note of your booth assignment and move in times.

Times are strategically assigned to allow for a smooth move in process. **Vendors will not be allowed into the festival before their set up time.**

Vendors on South Main Street need to enter the Festival from the corner of South Main Street and Nickerson Ave

Once you have located your space, you must unload your vehicle and move it out of the Festival area. Vendors will have 15 minutes to unload and remove their cars.

Vendors should park at the Parking lot for the Pierce Playground on Pierce Street. or the Town Hall Parking Lot on Union Street. Handicap accessible parking is available in the the lot Behind Benny's which can be accessed from School Street, Center STreet and N. Main. We ask that vendors park

Please remember, if you are a food vendor, the Board of Health will be around in the morning to perform inspections.

Vendors are responsible for properly securing their tents. The tents are set up on concrete so weights are required. Vendors are not allowed to dispose of boxes, packing material or display items in the trash receptacles. Anything other than common trash needs to be removed from the festival area.
