Town of Middleborough Health Dept. On-line Permitting Announcement / Instructions:

The Middleborough Health Department is implementing an online permitting program, beginning on September 4th to better serve the residents and business operators in the Town of Middleborough! New applications and renewals can be processed through online permitting by following the link below. You must register for an account before logging in. A valid email address is required. If you are renewing an existing permit, please use the email you supplied on your last application. If you need to change your email address, contact us to link your existing permits and renewals to your online account. We ask for your patience as we transfer to this new system. Please call us at (508) 946-2408 with any questions. If you do not have a computer or need assistance using a computer, you can visit our office and use a computer we have dedicated specifically to this program. Office hours are Monday through Friday from 8:00 AM to 5:00 PM.
