Mr. Dennis Foye (President)
Middleboro Sportsman's Club

Dear Mr. Foye:

On behalf of Chief Gates and the entire Middleborough Police Department I would like to thank the Middleboro Sportsman's Club and its members for the use of its' firing range. Middleborough Police firearms instructors qualified more than 60 full and part-time officers.

The Middleboro Sportsman's Club has provided the Town of Middleborough's Police Department with a safe secure location to conduct its annual firearms qualifications and at no cost to the Town of Middleborough. With the down turn in the economy and budgets being cut in recent years the Club's generosity is noteworthy.

We look forward to continuing our training at your range.

Thank you,

Peter J. Andrade,
Lieutenant
