Mr. Robert G. Nunes, Town Manager
Town of Middleborough
10 Nickerson Avenue
Middleborough, MA 02346

Dear Mr. Nunes,

On behalf of the trustees and staff of Historic New England, I thank you for the Town of Middleborough's donation of \$51,000. This contribution, received on February 18, 2016, furthers the Town's efforts to preserve the historic Peter Oliver, Jr. House in Middleborough, Massachusetts.

It is through the dedicated support of heritage-minded property owners that Historic New England's commitment to preservation continues to grow throughout New England, and as a model for the nation. Your commitment to maintain and preserve this important component of Middleborough, Massachusetts, and New England history is inspiring, and we are very glad to play a role in the efforts. Your contribution will be utilized for the monitoring of the preservation easements that Historic New England holds across the region. Our preservation easement program now protects one hundred properties and continues to grow.

We are exceptionally grateful for your financial gift, for the Town's dedication to preserving the Peter Oliver, Jr. House, and for your continuing involvement with and support of Historic New England. Thank you very much.

Sincerely,

Carl R. Nold
President and CEO
