Middleborough Board of Selectmen,

The Capeway Rovers of Middleboro have donated a sizeable amount of money to the Mitchell Memorial Club Youth Football Program. In past years they had an agreement with the Middleborough Board of Selectmen that they would help Middleborough Youth Sports programs with their support. We are writing you this letter to notify that they have complied with their Agreement with the Town of Middleborough, and the Board of Selectmen.

It is Hoped that the Board would publicly recognize their ongoing efforts to support Middleborough Youth Sports, and perhaps encourage other possible Donors to assist us in our efforts by contacting me at the Mitchell Memorial Club

I Thank You for your attention,

Paul Condon - Chairman of Trustees
