

**HEARINGS, MEETINGS, LICENSES**  
**1-3-11**

Selectmen:

We have to cancel and will work on rescheduling public hearing for Transfer of Liquor license from Cirelli Foods to Perkins.

Perkins needs to make corrections to its application forms and resubmit. The public hearing notice was affected by the inaccurate information, and therefore, needs to be re-submitted as well. The Board would not be voting to open and continue, but rather to cancel and reschedule.
