Dear Sirs,

I am writing to request an appointment by the Board of Selectman to the Middleborough Cultural Commission.

As a long term resident of Middleborough, my four children have grown up in our community and have each attended the Middleborough schools. Today my five grandchildren are doing the same. I care deeply about the community and believe that my long term career in not- for-profit management has provided me with experience and skills that I believe would be very helpful to the commission.

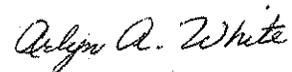

For over twenty-five years I have served as President & CEO of the Greater New England Chapter, National Multiple Sclerosis Society. I oversee a \$11.4 million budget with 45 staff members working from state offices in Maine, Massachusetts, New Hampshire and Vermont, serving over 19,000 individuals who have multiple sclerosis. I have held a number of leadership positions in activities outside the Society as well.

The scope of my position has been broad and I am hoping now to be able to share my decision making, leadership and planning skills to help enrich access to the arts and humanities to families here in Middleborough. We have a wonderful history and many of the performing arts have a home in which to flourish in our community. I would be eager to see more innovative and rewarding programs made available to our children and the work of the commission can help to bring that to fruition.

The art scene in Middleboro plays an important part of our community and most especially in helping the development of our young people. I am eager to serve the community as a member of the commission.

Thank you for your consideration,

Sincerely,

Arlyn A. White

The Council believes that the involvement of a diverse group of Middleborough residents will best help the Council meet its mission. Arlyn White will bring a wealth of experience and focused energy to the Council. MIDDLEBOROUGH CHRISTMAS PARADE COMMITTEE

MIDDLEBOROUGH, MA 02346

October 12, 2012

Chairman Al Rullo
Middleborough Board of Selectmen
Town Hall
10 Nickerson Avenue
Middleborough, MA 02346

Dear Chairman Rullo,

It is with great enthusiasm that I write to request a parade permit for the 53rd Annual Middleborough Christmas Parade. The parade is to be scheduled for the Saturday after Thanksgiving (November 24th), with a start time of 1PM. The rain date will be Sunday, November 25th.

The parade will follow its usual route. We begin at the Mary K. Goode School, travel up Mayflower Avenue, cross South Main Street and continue up Courtland Avenue. The parade continues down Station Street, through Everett Square and down Centre Street. Once the parade arrives at the four corners, it makes a right onto South Main Street, ultimately returning back to the Mary K. Goode School on Mayflower Avenue.

In the past, we have asked for a parking ban from Everett Square all the way through the center of town. This has worked out well for both the participants of the parade, as well as the spectators. It just makes for a safer environment. We are asking again for your approval of the parking ban.

We also heard from Santa Claus, and he plans on making his annual trek from the North Pole. He is again requesting the use of a fire truck to ride on. He is seeking your approval of this request.

We appreciate your continued support!!

Happy Holidays!!

Jackie,

No problem here as this is an annual event.

Bruce

Jackie,

In regards to the Christmas Parade, I have no concerns or objections and the only requirement is that any roadway barriers be moveable for emergency equipment. I will be happy to provide our Tower 3 to transport Santa Claus.

Re: Disposal of Vehicle – Water Department

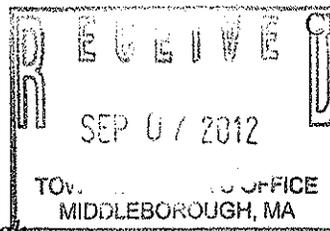

Based upon the recommendation of the D P W Mechanic I would like to request that the Board declare the following vehicle as surplus property :

1996 G M C S-15 Sonoma – VIN 1GTCS14X3TK527415

This vehicle has been taken out of service due to it being unsafe to drive and the need for extensive maintenance which is not cost effective.
