Subject: RE: Tobacco Sales

As previously discussed, the BOS were going to review a revision to the fee for tobacco sales. The Health Dept. has sent out applications already so if this is to occur, we need to have a hearing asap to provide adequate notice to vendors for the coming license period. It is the Health Dept. recommendation for the tobacco fee be raised to a minimum of \$50. per year but no more that \$100. per year at this time.

Thank you, Jeanne
