November 1, 2013

This letter is being sent to all who purchased a brick for the COA Brick Memorial Walkway. We are so pleased to announce that the walkway has been completed and it is beautiful.

We give our thanks to John Rocharz, owner of Well Done Landscapes, for his generous contribution of time, labor and skill. He offered the services of his company to support the work of the COA and its volunteers and to honor all those who are remembered in the memorial bricks.

We invite you to the COA for a special recognition dedication on **Friday, November 22 at 10:00**. Because the Autumn weather may not cooperate, we will hold the reception inside. We invite you to tour the brick walkway before or after the reception. There will be coffee and refreshments, a short dedication and a chance to visit with your neighbors.

Although the darker, colder days are with us, we can be confident that all the bulbs that the volunteers planted, will sprout in the warm Spring and that the roses will also bloom after a long winter's nap. Many times, we see deer over at the gardens and although they nibble the greenery, they are a beautiful sight.

The walkway is a meaningful way to carry on the legacy of those we love and those who have loved the COA. We hope that you will join us.
