Subject: RE: FINAL WEEK
Attachments: FINAL WEEKS.docx

Hi all,
Thank you so much for the great response to the COA Food Pantry Collection to help our seniors. This is the final week I will be requesting donations. We hope you can get together with co-workers, friends and family members to purchase gift cards to the grocery stores as you head out to shop this holiday season. We will be asking for gift card donations right through the end of the year so please help us help our seniors in need. Special thanks to the Hat Day program in the school that not only collected food items but got a big jump start on our grocery gift card collection. Call if you want us to pick up. Thanks again, Wishing you all the best through this holiday season. Jeanne
