RE: Salting at Commuter Rail "Highway/Railway" Crossings

Dear Chairman Frawley:

The application of road salt on highway / railway crossings can cause train approach warning systems to activate without the presence of a train in the area. The reason for this is that the combination of road salt and fresh or melting snow creates a conductive solution that causes a short circuit between the rails of the tracks. As a result, the gates lower, the lights flash, and the warning bells ring until the problem is corrected. The corrective action usually takes an hour or more and can cause the highway traffic to back-up.

The 2014 / 2015 winter season will soon be upon us. This is a reminder and request that you again instruct your crews and contractors to refrain from salting the area in the immediate vicinity of the tracks in order to minimize the instances of these unwanted activations. Your cooperation will help minimize both automotive and train delays this winter. The following is a list of highway/railway crossing in your town on the commuter rail system:

West Clark Street

Please contact John Mitchell, Keolis Commuter Services' Assistant Chief Engineering Officer for Communications and Signals, at 617-222-3613 to answer any questions regarding this request. Thank you again for your assistance with this issue.

RE: Complaint of tree cutting at 103 Highland Street (Map 100, Lot 2956)

Dear Ms. Hayes:

The Middleborough Conservation Commission recently received a complaint that there has been some tree cutting on the property. The Conservation Commission has jurisdiction of wetland areas and areas within 100-feet of a wetland and within 200-feet of a river under the Massachusetts Wetlands Protection Act (M.G.L. c. 131, § 40 and regulations 310 CMR 10.00 et seq.)

According to the most recent MassGIS Mapping there are wetlands in the rear of the property and a portion of the property in the rear is also mapped under the Massachusetts Division of Fisheries & Wildlife Natural Heritage & Endangered Species Program.

The Commission wants to make sure there has not been any impact to the wetland resource area.

Please contact us regarding this matter at 508-946-2406 as we would like to set up a site inspection with you.

Best regards,

Patricia J. Cassidy, Agent  
For the Middleborough Conservation Commission

The Trustees of the Middleborough Public Library met on September 8, 2014. In attendance were Edward Pratt, James Okolita, Stephen Conway, Eleanor Osborne, Nancy Ockers, George Davey, Maryanna Abren, and Library Director Danielle Bowker. Amanda Meyer, the new Children's Librarian, was also present.

The Chairman called the meeting to order at 5:31 p.m.

The Minutes of the August 11<sup>th</sup> meeting were accepted as presented.

Amanda Meyer, the new Children's Librarian, was introduced to Trustees. A short question and answer period followed.

Ellie, Sherri, and George will form a subcommittee to look at the process and procedures to be used as Trustees begin the search for a new Library Director. They will work on the timeline to be used, as well as consider a job description. Trustees were asked to list 5 expectations that they have as they consider the position of Library Director. They are asked to email these to Danielle.

The Treasurer's Report was accepted, subject to audit.

The Library has only one item on the warrant for the October 6<sup>th</sup> Town Meeting. The Staff has negotiated a 2% increase for this fiscal year, totaling \$9000.

The carpet project has begun in the Children's Room. Shelving and books were removed, and the old carpet ripped up. New carpet squares will be laid, and the books returned to the shelves as soon as possible.

Atlantic is the new contractor for the elevator service.

A motion was made that the Director be authorized to spend up to \$12,100 to purchase a complete desk set-up to replace the pieces of furniture that are now being used for checkout, as well as other furniture. The amount was amended to \$12,500, said money to come from the General Fund. The motion passed unanimously.

A request was also made for a self-check set-up in the Children's Room. Danielle was asked to have the Friends consider funding this.

The Summer Reading program was once again successful.

Trustees voted unanimously to accept the following holiday schedule:

November 26, close at 5 p.m.

December 24 and 25, close all day

December 31, close at 3 p.m.

January 1, close all day.

Landscaping/planting for the parking lot will start on September 22, and will be done by Mockingbird Hill Farms.

The next meeting is scheduled for October 6<sup>th</sup> at 6:00 p.m., and will be held in the Middleboro High School Library.

The meeting was adjourned at 6:35 p.m.

Respectfully submitted,

Maryanna B. Abren

A motion was made to allow the library to offer a community fax service with a fee to be determined by the Library Director. The motion passed.

**RE: Important Information on Price Adjustments**

Dear Chairman and Members of the Board:

We are committed to constantly improving our customers' entertainment and communications experience in your community, and we continue to invest in making their services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting December 20, 2014, new prices will apply to select XFINITY TV and Internet services and equipment as reflected in the enclosed notice.

Among these price changes, we have itemized a Regional Sports Fee for customers receiving Expanded Basic and Xfinity Latino 450 service tiers and above to offset the rising costs of delivering regional sports networks. In addition, we have improved our Digital Adapter Additional Outlet service so that our Family Tier, Digital Economy, and Latino tier customers receive the same channel lineup on their primary and additional outlets. Starting December 20, 2014, the Digital Adapter Additional Outlet service fees for these customers will be \$2.99.

We are committed to providing our customers with a consistently superior experience, including 24/7 customer service and on-time arrival—or we'll credit the customer \$20 or provide a free premium channel for three months. We back up our services with the Comcast Customer Guarantee (visit [www.comcast.com/guarantee](http://www.comcast.com/guarantee) for details).

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 617.279.6017.

Sincerely,

MIDDLEBOROUGH  
PLANNING BOARD**

The Middleborough Planning Board will hold a public hearing December 2, 2014, at 8:00 p.m. in the Selectmen's Room at the Town Hall, 10 Nickerson Avenue, Middleborough, MA, relative to the Modification of Gateway Estates a Definitive Subdivision Plan including Gateway Lane and Paddock Circle entitled "Modification Plan #2, Definitive Subdivision Gateway Estates", located off Precinct Street; this modification proposes to raise the elevation of the subdivision roadways to provide vertical separation between the finish grade of the roadway surface and the estimated seasonal high groundwater table, as observed in soil observation holes performed throughout the site. Drainage calculations have been revised to reflect changes to stormwater flow patterns as a result of the revised roadway grading and preliminary grading of the house lots. The subdivision is bounded on the west by Kawa and the Town of Middleborough; north by Owner Unknown, on the east by Stryker and Nielsen and on the south by Sukeforth, Newcomb and Precinct Street. The plans were submitted by Outback Engineering, Inc. 165 East Grove Street, Middleborough, MA 02346. Owners of the property are Precinct Lending Trust, 83 Speen Street, Natick, MA 01760. The plans are dated October 17, 2014 and consist of 7 sheets. Said land consists of Assessor's Map 31, Parcels 3057, 3065, 2283, 2245, 2235, 2315, 4731, 4735, 3835, 2365, 2445, 3215, 3165, 3185 and 3925.

Full Plans are available in the Planning Department for public review. Anyone desiring to be heard on this subject should appear at the time and place designated.
