RE: B & E's

Honorable Board,

Shortly after midnight on November 15, 2010 Middleborough Police Officers Jerry Donahue, Bradley Savage and Richard Harvey responded to a suspicious activity report on Plymouth St.. The officers responded in a stealthy manner and discovered 3 persons had broken into an industrial building at Rockland Industries. The 3 suspects fled from the building and all three were arrested by these officers after a foot pursuit.

Detective Simonne Ryder was called in to assist and as a result of a follow-up investigation she will be charging one of the suspects with an additional 9 B&E's.

As a result of the actions of these 4 officers they should be commended for their actions.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Bruce D. Gates".

Bruce D. Gates,
Chief of Police
