RE: Memorial for Anna Nalevanko

DATE: December 16, 2011

I recommend that the Town create a memorial in John Glass (Everett) Square to honor former Economic and Community Development Director Anna Nalevanko, who passed away suddenly in September.

The redesign of the square will create a new, pedestrian friendly area that will provide an opportunity for perhaps a bench and some plantings that could be dedicated in Anna's memory. The final design will be worked out with our engineer when this project receives state funding. The location is particularly appropriate as Anna had a business just down Centre Street from the square before she worked for the Town of Middleborough.

I would be happy to answer any additional questions you may have.
