RE: February 2013 Blizzard

I would like to express my sincere appreciation for the diligent efforts of the Highway, Sanitation, Water, and Waste Water employees during the recent blizzard.

These men went beyond the call of duty during the most difficult weather conditions. There were high winds coupled with heavy snowfall that result in "white-out" driving conditions. Hundreds of trees blew down during the storm. At times our drivers were stranded on roadways because their paths were blocked with downed trees that had to be cut and pushed aside.

After the storm subsided there was still much work to do. Excess snow had to be hauled out of the downtown, sidewalks had to be cleared for the school children, trees and limbs had to be removed, and icy roads needed treatment. There was very little sleep for them this week.

The DPW employees made great personal sacrifices and put themselves at risk for the safety of the community. The Town of Middleboro residents should be proud of these men.

Subject: Snow Budget

All the bills are not in from the blizzard and last weekend's storm. I estimate that we have spent \$250,000 of the \$200,000 appropriation. The blizzard itself was well over \$100K.

MEMORANDUM

To: Board of Selectmen
From: Caroline R. LaCroix, Ast. to the Town Manager 
Re: Sign Approvals
Date: February 22, 2013

Thank you.

Town of Middleborough
10 Nickerson Avenue
Middleborough, MA 02346

Dear Middleborough Business Owner:

The Town of Middleborough had previously participated in an exciting Internet technology service aimed at providing a tremendous, positive impact for promoting the public and the private assets of our wonderful community. We have recently decided to renew the services for, and will continue to participate in, another three-year promotional campaign conducted by CGI Communications, Inc. (www.cgicomcommunications.com).

CGI Communications will produce a series of on-line videos to showcase the assets and attributes that the Town of Middleborough has to offer to its residents, its visitors, and its business community. These videos will be accessible for viewing via the Town's website www.middleborough.com. Besides the Videos having exposure on the Town's official web site, the videos will be featured on the Community Video Network (CVN), Relocate.org's national platform for community videos. With a presence on the web sites of many of the country's top REALTORS, CVN videos reach a potential audience of millions.

As you know, the Town of Middleborough is dedicated to making our community a great place to live, work, shop and conduct business. This project will highlight the advantages of living in and doing business here.

A representative of CGI Communications will be contacting you with an offer for your participation. We encourage you to consider supporting this program, which we feel is truly a win-win for all involved.

Sincerely,

Charles J. Cristello
Town Manager
