Charlie,

You probably already know this but Middleborough has been awarded the \$28,210.60 from the CIC grant. We are just back from the ceremony now.

Charlie,

I wanted to let you know the CIC Grant announcements are coming on Friday, we have been notified that one of the town communities in our district will be awarded a grant. We do know that Freetown/Lakeville also applied for one of these grants so we are not sure if it will be the grant Middleborough applied for or Freetown/Lakeville.

Representative Orrall went to the Governor's office yesterday after this email came out and tried to poke around to get a hint of who would be getting the grant but had no luck.

I am not sure if anyone has contacted you yet but I wanted to give you the heads up. There should be an answer on Friday one way or the other.

Have a great day, Jeanine
