Dear Chairwomen Marsha Brunelle;

I have become aware that a position has become available on the Middleborough Council on Aging. I would like to be considered for an appointment to that position.

I have been a resident of the Town of Middleborough for a few years and as many of the members of the Board know: I have been concentrating my efforts on veteran's events and affairs. I have appeared before the board several times championing veteran's causes.

I believe that it time to broaden my horizons and do something for the senior citizens of Middleborough. After all I am becoming one of them very fast. I believe that I possess the skills that can make a difference on the board.

Not sure what comes next. Is there an application, a venting process, am I interviewed by someone at the Council on Aging, or do I appear before the Board of Selectman?

Please at your earliest convenience advice me on the process for me to become a member of the Board of Directors of the Council on Aging.

Subject: Vacancy on the COA

Dear Mr. Cristello,

I wanted to submit my letter of interest to serve as a member of the Council on Aging Board of Directors. I had read that there was an opening and am very interested in serving the community.

For the past 10 years, I have been the Director of the State's Child-at-Risk Hotline. We serve the entire state of Massachusetts as the after-hours unit for the Department of Children and Families. In my capacity as Director, I work alongside many of the state agencies that fall under the Executive Office of Health and Human Services. I feel my knowledge of state-wide programs could benefit Middleboro's Council on Aging.

In the past, I have worked several jobs in the social service field. My experiences have included working with the Social Security Administration and staffing an Information and Referral Helpline. Each of these programs has given me unique experiences that I believe will help me to be a good member of the Council on Aging Board of Directors.

If you have any questions, please email. I have also included my home address and phone number.

Thank you,
Rich Young

Re: Vacancy on the Board of Directors

Dear Ms. Priest,

Last Thursday – December 2, 2010 at the Volunteer Training Workshop you mentioned there was a vacancy on the Board of Directors and you were entertaining applications for the position. I would be honored to serve on the Board of Directors.

As a volunteer, I am amazed each time I go to COA. The love, caring and dedication of staff and volunteers is abundantly shown by all concerned. How so much is accomplished in the way of programs and activities on a “shoestring budget” is testament to the superior guidance that the Board of Directors is providing and of course the expertise of staff. The Town of Middleborough should be very proud of this facility.

I have a background employment as a secretary (and steno pool) at John Hancock in the Underwriting Department, Jr. Clerk – payroll – Treasurers Office MCI Bridgewater, 18 years driving school bus in the Town of Middleborough and Lakeville and finally, I retired as a Senior Clerk after working 17+ years in the Town Clerk and Accountants Office in Middleborough. In each position I interacted with the public daily and always was sworn to confidentiality as most of the work that I did especially at the Town Clerks Office was highly sensitive in nature. As one of the staff (of COA) mentioned the other day “I will take information to the grave with me”. Since I retired in 2002, I have become active in several areas. Besides volunteering in the dining room and kitchen at COA, I serve as the Warden in voting precinct 2 here in Middleborough. I also have sat on the Executive Committee of MRIG since it was incepted. At Church of Our Saviour I serve as member of Vestry, Liturgical Assistant, Healing Minister, Vestry Liaison for the Worship Committee, and I am active in “Outreach” and a member of Episcopal Church Women. In the near future I will be in training and licensed as a Eucharistic Visitor. I have been charged by Vestry to form a Pastoral Care Program (under the direction of Fr. Milam) that I will head and coordinate services.

I am very proud that my husband Jim and I have raised two wonderful children who are responsible citizens and each successful in their lives. God has been with me and I have faced and survived some very difficult circumstances. I believe that throughout my life I have been a “people person”- always fighting for the equality and respect of all people. Because of my life experiences, I feel I have a special understanding and feeling for the needs of others. I guess it could be said that my “mission in life” is to help and care for others in need. I sincerely hope that I will be your choice to serve on the Board of Directors.

Peace,

Elizabeth “Betty” Wainwright
