Subject: Upcoming workshop on nutrients and cranberries
Attachments: Cranberry Workshop Flyer.pdf

Greetings, I wanted to invite your town staff and selectmen to a free workshop next month at Wareham town hall to discuss the findings of new research that seeks to better our understanding of the amount of nitrogen flowing in and out of cranberry bogs. These findings could have a significant impact on how we address the nitrogen pollution problem in our coastal waters.

The workshop is free and open to decision makers and the public. I have attached a flyer for you to share with your town staff and select board and the details are also below. If folks are interested they can contact me to register or just show up.

Thanks,

Rob

Solutions to Nitrogen Pollution: Solving the Cranberry Puzzle

Tuesday, April 14 • 4-6pm • Wareham Town Hall

Most of the Bay's nitrogen pollution comes from wastewater, including septic systems and wastewater treatment plants. Other land sources include lawns, farm fields, and stormwater runoff. But there's another piece of the nitrogen pollution puzzle that's been harder to pinpoint: cranberry bogs.

This workshop will share new and ongoing research by scientists and cranberry growers to better understand the potential impact of cranberry bogs on local water quality and discuss emerging ideas about bog management techniques that might reduce or eliminate those impacts.

Speakers

Rachel Jakuba, Science Director, Buzzards Bay Coalition
Chris Neill, Director, Ecosystems Center, Marine Biological Laboratory
Carolyn DeMoranville, UMass Cranberry Station
Additional speakers to be added

Location

Meeting Room at Wareham Town Hall ([54 Marion Rd., Wareham](http://www.wareham-ma.gov/54-Marion-Rd))

Cost

Free (light refreshments provided)

Registration is requested.

MHC Announcing MPPF Round 21 & Workshops

Secretary William F. Galvin, Chair of the Massachusetts Historical Commission is pleased to announce that **Round 21** of the Massachusetts Preservation Projects Fund (MPPF) grant program has been scheduled. It is anticipated that funding will be in the range of the previous grant round, Round 20, which was \$780,000.

Administered by the Massachusetts Historical Commission (MHC), the MPPF is a state-funded 50% reimbursable matching grant program established in 1984 to support the preservation of properties, landscapes, and sites listed in the State Register of Historic Places. Applicants must be a municipality or nonprofit organization. The program is administered in accordance with 950 CMR 73.00. **Please note that grant disbursement is subject to appropriation and the availability of sufficient allocated funds pending extension of the state bond cap.**

Two afternoon workshops will be held: Wednesday, April 8, 2015 at the Millbury Public Library, Millbury, MA, from 3:00 – 5:00 pm and Friday, April 10, 2015 at the MHC offices in the Massachusetts Archives Building in Dorchester, MA, from 1:00 – 3:00pm.

MHC hopes that your schedule allows you to join a member of the MHC's Grants Division as they explain the program requirements, go over program materials, and give you the opportunity to ask questions. Workshops are free of charge and no registration is required. Applicants are encouraged to begin compiling application materials before attending a workshop, or as soon as possible, to allow sufficient time to meet the application deadline.

Applications for this next round of MPPF grants, **Round 21, are due May 15, 2015.** MPPF program information, downloadable Application/Instructions, and directions for the upcoming grant workshops can be found online. Please visit the MPPF main page of the MHC's website:

<http://www.sec.state.ma.us/mhc/mhcmppf/mppfidx.htm>

Limited quantities of the hardcopy versions of the Application and Instructions will be made available at each workshop. Please call the MHC at 617-727-8470 or e-mail Paul Holtz at Paul.Holtz@sec.state.ma.us if you have any questions or would like to receive hardcopies of the Application and Instructions.

Board of Selectmen
Town of Middleborough

Middleborough, MA 02346

Dear Middleborough Board of Selectmen:

I am in receipt of your correspondence to the General Manager regarding MBTA commuter rail service on the Middleborough/Lakeville line. As you are aware this winter has been a very trying one, with historic snowfall and frigid temperatures. These conditions have caused many issues to several rail and transit agencies in the Northeast, especially the MBTA. While our snow plans held up initially, they were simply overwhelmed by the continued volume of snowfall.

As the weather improves our final hurdle to full service is equipment availability. Working closely with our commuter rail operator, Keolis, we have developed a recovery plan that will allow us to steadily and reliably increase service until it is fully restored on March 30th. For the Middleborough/Lakeville line specifically, as of March 16th service will have been restored to 20 daily weekday trains - 83% of the normal weekday total.

We will continue to steadily add trains to the system schedule as equipment is repaired and made available for service. MBTA commuter rail is appreciative of you and your citizens' patience, and we are working tirelessly to get service back to the levels our passengers expect and deserve.

Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

Bradley M. Kesler
Chief Railroad Officer

The Middleboro Public Library Board of Trustees met on January 12, 2015.

In attendance were James Okolita, Stephen Conway, George Davey, Keith Macdonald, Sherri Hartlen-Neely, Nancy Ockers, Eleanor Osborne and Ted Pratt.

Chairman James Okolita called the meeting to order at 6 pm.

In unanticipated business a request to allow the display of posters in the library for the Honorary Mayor of Middleboro was approved.

The Minutes of the the December meeting were approved unanimously.

The Treasurer's Report was accepted, subject to audit.

George Davey presented the New Time Line for the Library Director Search. It was approved. Applications for Director will now be accepted from March 1st to April 15th.

Included in the Director's Report was that this year's budget in a slightly new format was

presented to the town manager this past Friday. In addition, the Peirce Trustees granted

the library's request for 20 new chairs. Northbrook Academy is moving and offered a portable stage to the library which was declined due to a lack of space.

Liability for the Friends' Parking Lot was then discussed. The issue was taken under advisement for more discussion and consultation with Town Counsel.

An updated Collection and Development Policy will be voted on at the next meeting.

A Legislative Breakfast will be held at the Norton Public Library on Friday, February 6th.

A motion to hire Bill Fuller's Bartending Service for the Old Fashioned Sock Hop to be held

on Friday, February 20th during the Throw Back Weekend was approved.

The next meeting is set for February 9 at 6 pm. The meeting adjourned at 7:20 pm.

Respectfully Submitted,

Eleanor Osborne

Invitation to Bid

The Town of Middleborough, Middleborough Council on Aging, is requesting sealed bids for the Replacement of the Roof at the Middleborough Council on Aging, 558 Plymouth Street, Middleborough, MA. 02346.

BID SUBMISSION

Bids, signed, sealed and executed will be received at the Middleborough Council on Aging, 558 Plymouth Street, Middleborough, MA until 3:00 PM on April 20, 2015. Offers submitted after the above time will be returned to bidder unopened. Offers will be opened publicly immediately after time for receipt of bids and read aloud.

INTENT

The intent of this Bid request is to obtain an offer to perform work to complete the Replacement of Roof at the Middleborough Council on Aging, located at 558 Plymouth Street, Middleborough, MA, based on one bid. The Town will award the bid to the lowest responsible bidder, subject to funding.

SCOPE OF WORK

EXTERIOR

Roofing

1. Remove the existing shingles and underlying materials to the level of the original decking or plywood overlay. Install a minimum of three (3') feet of ice/water shield at all eaves. Ice/water shield to extend a minimum of two (2') feet beyond exterior wall. Install three (3') feet of ice/water shield at the ridge; and install eighteen (18") inches of ice/water shield at all hips, rakes, transitions, and penetrations. Over any remaining exposed decking install a minimum 15#, asphalt saturated roofing felt. Install new premium aluminum drip edge at all eaves and rakes. Corners to be cut to provide clean appearance.

Furnish and install new 30-year "Architectural Style" GAF Timberline or CertainTeed Landmark fiberglass shingles over the underlayment. Shingles to meet or exceed ASTM D3161 Testing Guidelines for Wind Resistance and have a minimum 10-year algae resistance warranty. Installation to be in accordance with the manufacturers recommended installation guidelines, with no less than four nails per full shingle. Replace existing vent pipe and chimney flashings with new flashings. Remove all abandoned or inactive equipment and penetrations from roof prior to installation.

CONTRACT TIME

Completion of the work by June 30, 2015. The bidder, in submitting an offer, accepts the Contract Time period stated for performing the Work.

INQUIRIES/ADDENDA

Submit questions in writing to apriest@middleborough.com no later than April 6, 2015.

Any Addenda issued during the bidding period will be posted under town procurements on the Town of Middleborough website, www.middleborough.com.

Submit clarification requests in writing no later than April 6, 2015. Replies will be made by Addendum, a copy of which will be posted on the Town of Middleborough website.

SITE EXAMINATION

Please contact Andrea M. Priest at 508-946-2490 or via email to apriest@middleborough.com in order to arrange date and time to visit project site. However, an appointment is not necessary to visit the site.

Bidders must satisfy themselves by personal examination of the site of the Work, and by such other means as they may wish, as to the actual conditions there existing, the character and requirements of the Work, the difficulties attendant upon its execution, and the accuracy of all estimated quantities stated in the Bid, and the Town of Middleborough makes any warranty or representation as to any of said matters or as to the accuracy of the methods by which any descriptions or estimates have been obtained.

All such information is furnished only for the information and convenience of Bidders and is not guaranteed nor is the quality of the sources of such information guaranteed.

It is agreed and understood that the Town of Middleborough does not warrant or guarantee that the subsurface or other conditions, natural phenomena, existing metal or wood or other structures encountered during construction will be the same as those indicated in the bid document.

It is agreed further and understood that no Bidder or Contractor shall use or be entitled to use any of the information made available to him or obtained in any examination made by him in any manner as a basis of or ground for any claim or demand against the Town of Middleborough, arising from or by reason of any variance which may exist between the information made available and the actual subsurface or other conditions, natural phenomena, existing metal or wood or other structures actually encountered during the construction work, except as may otherwise be expressly provided for in the bid document.

QUALIFICATIONS

EVIDENCE OF QUALIFICATIONS

Prospective Bidders shall submit with their bids an experience list showing all contracts in the last five years of similar scope and magnitude.

No award will be made to any Bidder who cannot satisfy the Town of Middleborough that he has sufficient ability and experience in this class of work and sufficient capital to enable him to prosecute and complete the Work successfully within the time named. The Town of Middleborough's decision or judgment on these matters shall be final, conclusive and binding.

The Town of Middleborough may make such investigations as it deems necessary, and the Bidder shall furnish to the Town of Middleborough, under oath if so required, all such information relating to the ability and experience of the Bidder as the Town of Middleborough may request. The Town of Middleborough reserves the right to reject any bid if a bidder who cannot satisfy the Town of Middleborough that he has sufficient experience to successfully complete the project.
