Dear Charles:

Attached is the invoice from Murray Brothers for the Town Hall Cupola Removal Project. My on-site observations of the project confirm that the work has been carried out according to technical requirements included in the February 25, 2011 invitation for Bid.

I am recommending for payment the complete amount of the invoice, \$16,609.45. Payment of this invoice will conclude the work of the Murray Brothers contract.

Best regards,
