Subject: RE: Joint Meeting with Board of Selectmen

Hi Colleen,

I can put it on under New Business as a "joint vote between the Fin Com & BOS" or I can put it under Hearings & Meetings at 7:20 PM on 5/11. I would suggest that she put something simple in writing for the Board that expresses her interest. It can be in email format – nothing fancy.

Let me know which date works best.

Thank you.

Jackie

Hello Jackie!

I'd like to schedule a joint appointment with the Finance Committee and the Board of Selectmen for the purpose of appointing Brianne Kessiman to the Finance Committee to fill the vacancy to the next Town Election when she can officially run for the Committee.

I do not have a resume or letter of intent from her, she received a number of votes through the write in part of the election and came to our meeting wanting to be appointed.

Let me know what you have available for dates/times and if you need something in writing from us.

Thank you!
Colleen

Subject: Letter of Interest - Finance Committee

Hi Jackie,

Please find my letter of interest for the Finance Committee below. Please let me know if you need any other info!

Thank you,
Brianne Kessimian

To the Members of the Board of Selectmen and Finance Committee:

My name is Brianne Kessimian, and I am interested in serving in the vacant position on the Finance Committee. I would love the opportunity to serve the town in which I was raised and am now raising my own family. Over the past few years, I have volunteered in the Middleborough Public Schools and have served on several committees related to the schools, and I believe that being a member of the Finance Committee would allow me to expand my service to the town in general. Additionally, I have the time and availability to be able to serve on the Finance Committee.

Thank you for your consideration,
Brianne Kessimian
