To Whom It May Concern:

Please be advised that on Wednesday, June 20, 2012 at 8:30am Sager Electronics Inc. will be performing their annual fire pump test. Sager Electronics is located in Leona Drive. During the pump test there could be a slight decrease in water pressure or periodic discoloration for a short period of time in the Bedford Street, Plymouth Street area. Please plan accordingly. The fire pump test will last approximately 2 hours.

Sincerely,

A handwritten signature in cursive script, appearing to read "Joseph M. Silva".
