Board of Selectmen

September 16, 2013

Ralph F. Holton
68 Purchase Street
Middleboro, MA 02346

Dear Mr. Holton:

We have received your letter dated September 2, 2013. It does not resolve or excuse the insufficiencies we raised in our letter of August 20, 2013. The notice of intent received, does not comply with the requirements of Section 9 of Chapter 61B.

A valid notice of intent must be submitted before the Town can act on this matter.

Very truly yours,
Town of Middleborough Board of Selectmen

DRAFT DRAFT

WARRANT FOR SPECIAL TOWN MEETING

Middleborough, Massachusetts

To Bruce D. Gates, Police Chief or any of the
Police Officers of the Town of Middleborough

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn all the inhabitants of said Town, qualified to vote in Town affairs, to meet in the **Auditorium of the Middleborough High School**, on **Monday, October 7, 2012 at 7:00 P.M.**, to act on the following articles:

ARTICLE 1. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account, or other available source to supplement and/or adjust departmental budgets for Fiscal Year 2014, or act anything thereon.

ARTICLE 2. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, an existing appropriation or account, or other available source for unpaid bills from prior years, or act anything thereon.

ARTICLE 3. To see if the Town will vote to raise and appropriate and/or transfer a sum of money of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account, or other available source to fund sick leave buy-backs or act anything thereon.

ARTICLE 4. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source, to be placed into the Stabilization Fund, or act anything thereon.

ARTICLE 5. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source, to be placed into the Other Post-Employment Benefits Liability Trust Fund, or act anything thereon.

ARTICLE 6. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source to fund one or more collective bargaining agreements, or act anything thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate and /or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source for the purpose of reimbursing retired Town employees and other persons enrolled in the Town's Medicare health insurance plans for some of the health insurance premiums and co-payments paid by said retirees and other persons after Fiscal Year 2012, and to pay any related costs, or act anything thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source, or by borrowing to purchase new firearms for the Police Department, or act anything thereon.

ARTICLE 9. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation of account or other available source or by borrowing to purchase a 20/30 passenger special needs school bus with a wheelchair lift and a new maintenance vehicle for the School Department, or act anything thereon.

ARTICLE 10. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source, or by borrowing to shore up the bridge structure at Middleborough High School, or act anything thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source or by borrowing to purchase computers, servers, monitors, printers, and related hardware and software for various Town departments, or act anything thereon.

ARTICLE 12. To see if the Town will vote to rescind various debt authorization(s) voted at previous town meeting(s) for capital projects and raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source to fund capital projects voted at previous town meetings(s), or act anything thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate and/or transfer a sum of money from taxation, free cash, another specific available fund, the Stabilization Fund, an existing appropriation or account or other available source, or by borrowing for the Department of Public Works for all relevant and necessary expenses associated with new stormwater activities required by the EPA/DEP, or act anything thereon.

ARTICLE 14. To see if the Town will vote to transfer $14,787 from the receipts reserved for the Water Pollution Abatement Trust Loan Repayment Account in order to meet the Town's obligation for payment of the Water Pollution Trust Loan, or act anything thereon.

ARTICLE 15. To see if the Town will include water main replacements on Mitchell, Sachem, Park, Sprout, and Vine Streets to the water system improvements project voted under Article 12 of the warrant for the September 23, 2002 Special Town meeting, or act anything thereon.

ARTICLE 16. To see if the Town will vote to appropriate $91,050 from the Historic Resources Reserve of the Community Preservation Fund to fund climate control measures at the Middleborough Historical Museum for preservation of two museum buildings, historic town records and artifacts contained in the two buildings; said funds to be expended under the direction of the Community Preservation Committee; or act anything thereon.

Sponsored by the Community Preservation Committee

ARTICLE 17. To see if the Town will vote to appropriate $68,509 from the Historic Resources Reserve of the Community Preservation Fund to begin Phase 2 of the Town's Historic & Vital Records Preservation which will include establishing a computerized retrieval system; said funds to be expended under the direction of the Community Preservation Committee; or take any other action thereon.

Sponsored by the Community Preservation Committee

ARTICLE 18. To see if the Town will vote to appropriate $10,000 from the Historic Resources Reserve of the Community Preservation Fund to fund a study by the Historical Commission to determine the overall condition of the estate and the value of a conservation restriction and a historic preservation restriction on the Oliver Homestead located on Plymouth Street on the Nemasket River; said funds to be expended under the direction of the Community Preservation Committee; or take any other action thereon.

Sponsored by the Community Preservation Committee

ARTICLE 19. To see if the Town will vote to appropriate $156,600 from the Open Space Reserve of the Community Preservation Fund for the Conservation Commission's proposal to acquire and preserve the Lion's Head Property which consists of 103 acres on the Nemasket River; said appropriation is contingent upon Wild Lands Trusts and Land Grant funding; said funds to be expended under the direction of the Community Preservation Committee; or take any other action thereon.

Sponsored by the Community Preservation Committee

ARTICLE 20. To see if the Town of Middleborough will vote to appropriate, and authorize the Treasurer with the approval of the Selectmen to allow funding from the Community Preservation Act Fund to borrow the sum of ($435,000.00) according to M.G.L. Chapter 44, Section 8C, for the purpose of purchasing for conservation and passive recreation purposes, by eminent domain or negotiated purchase or otherwise, a certain property together with buildings thereon, known as "Lion's Head" consisting of 103.09 acres, more or less, as shown on a plan entitled "Plan of Land in Middleborough" made by (surveying firm dated ....); that said land be conveyed to said

Town of Middleborough under the provisions of Massachusetts General Laws, Chapter 40, Section 8C, and as it may hereafter be amended and other Massachusetts statutes relating to Conservation, to be managed and controlled by the Conservation Commission of Middleborough, and the Conservation Commission be authorized to file on behalf of Middleborough any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts deemed necessary under Chapter 132A, Section 11 and /or any others in any way connected with the scope of this Article, and the Town of Middleborough and the Conservation Commission be authorized to enter into all agreements and execute any and all instruments as may be necessary on behalf of Middleborough to affect said purchase.

ARTICLE 21. To see if the Town of Middleborough will vote to raise, borrow and/or appropriate $156,600.00 for the acquisition by gift, negotiated purchase or eminent domain of a parcel of land of approximately 103.09 +/- acres owned by Sarah Jigerjian and Mary Jigerjian as described on Assessors Map 21 Parcels 1141 & 4652 and Map 12, Parcel 4585, to be managed and controlled by the Conservation Commission of the Town of Middleborough in accordance with Chapter 40, Section 8C for conservation and passive recreation purposes, and to meet said appropriate with funds transferred and/or borrowed in accordance with M.G.L. Chapter 293, the Community Preservation Act and to authorize the Treasurer, with the approval of the Board of Selectmen, to issue any bonds or notes that may be necessary for that purpose, as authorized by M.G.L. Chapter 44, or any other enabling authority, and that the Town Manager or Board of Selectmen be authorized to file on behalf of the Town of Middleborough any and all applications deemed necessary under the Self-Help Act (M.G.L. Chapter 132A, Section 11) or any other applications for funds in any way connected with the scope of this acquisition, and the Town manager and the Board of Selectmen and the Conservation Commission be authorized, as they deem appropriate, to enter into all agreements and execute any and all instruments including the conveyance of a perpetual conservation restriction in accordance with M.G.L. Chapter 184 as required by Section 12(a) of Chapter 44B or Chapter 293 Section 10 of the Acts of 1998 as amended, as may be necessary on behalf of the Town of Middleborough to affect said purchase. Said conservation restriction may be granted to the Wildlands Trust or any other organization qualified and willing to hold such a restriction.

ARTICLE 22. To see if the Town will vote to amend its Zoning By-laws for the purpose of regulating the locations of registered marijuana dispensaries by adding a new use to the TABLE OF USES in Section 3.1, Subsection D – COMMERCIAL USES so that the new use is permitted in the General Use (GU) District by special permit from the Board of Appeals but not otherwise and that the by-laws read as follows:

TABLE OF USES									
PRINCIPAL USE	**RA**	**RB**	**RR**	**B**	**I**	**GU**	**GUX**	**GUA**	**CD**
D. COMMERICIAL USES									
34. Registered Marijuana Dispensary	N	N	N	N	N	ZBA	N	N	N

, or act anything thereon.

ARTICLE 23. To see if the Town will vote to accept M.G.L. Chapter 59, Section 5L. Upon acceptance of this section by a municipality and notwithstanding any other provision of this chapter to the contrary, any taxes due under this chapter by a member or a dependent of a member of the Massachusetts National Guard or a reservist shall be deferred while that member is on active service outside the commonwealth for the next 180 days after that service. No interest or penalties shall be assessed for any period before the expiration of those 180 days, or act anything thereon.

ARTICLE 24. To see if the Town will vote to amend the existing Town by-law Regulation of Sewer Use to comply with changes mandated by the United States Environmental Protection Agency, as noted in the letter dated June 17, 2013. The Regulation/Sewer Use by-law being on file with the Town Clerk, or act anything thereon.

ARTICLE 25. To see if the Town will vote to adopt the following by-law:

Discharges to the Municipal Storm Drainage System

Section 1. Purpose

Increased and contaminated stormwater runoff is a major cause of: impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater; contamination of drinking water supplies; alteration or destruction of aquatic and wildlife habitat; and flooding.

Regulation of illicit connections and discharges to the municipal storm drain system is necessary for the protection of the Town of Middleborough's water bodies and groundwater, and to safeguard the public health, safety, welfare and the environment.

The objectives of this By-Law are:

1. to prevent Pollutants, as defined herein, from entering the Town of Middleborough's municipal separate storm sewer system (hereinafter, the "MS4");
2. to prohibit illicit connections and unauthorized discharges to the MS4 to the maximum extent practicable;
3. to require the removal of all such illicit connections;
4. to comply with state and federal statutes and regulations relating to stormwater discharges;
5. to establish the legal authority to ensure compliance with the provisions of this By-Law through inspection, monitoring, and enforcement.

Section 2. Definitions

For the purposes of this By-Law, the following shall mean:

AUTHORIZED ENFORCEMENT AGENCY: The Town of Middleborough Board of Selectmen [the Board]), its employees or agents designated to enforce this By-Law.

BEST MANAGEMENT PRACTICE ("BMP"): An activity, procedure, restraint, or structural improvement that helps to reduce the quantity or improve the quality of stormwater runoff.

CLEAN WATER ACT: The Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*) as hereafter amended.

DISCHARGE OF POLLUTANTS: The addition from any source of any pollutant or combination of pollutants into the municipal storm drain system or into the waters of the United States or Commonwealth from any source.

GROUNDWATER: Water beneath the surface of the ground.

ILLICIT CONNECTION: A surface or subsurface drain or conveyance, which allows an unauthorized discharge of pollutants into the municipal storm drain system, including without limitation sewage, process wastewater, or wash water; and any connections from indoor drains, sinks, or toilets, regardless of whether said connection was previously allowed, permitted, or approved before the effective date of this By-Law.

ILLICIT DISCHARGE: Direct or indirect discharge to the municipal storm drain system that is not composed entirely of stormwater, except as exempted in Section 7. The term does not include a discharge in compliance with an NPDES Storm Water Discharge Permit or a Surface Water Discharge Permit, or resulting from firefighting activities exempted pursuant to Section 7, of this By-Law.

IMPERVIOUS SURFACE: Any material or structure on or above the ground that prevents water infiltrating the underlying soil. Impervious surface includes, without limitation, roads, paved parking lots, sidewalks, tennis/sports courts and rooftops.

MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4) or MUNICIPAL STORM DRAIN SYSTEM: The system of conveyances designed or used for collecting or conveying stormwater, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural or man-made or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system owned or operated by the Town of Middleborough.

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) STORM WATER DISCHARGE PERMIT: A permit issued by United States Environmental Protection Agency or jointly with the State that authorizes the discharge of pollutants to waters of the United States.

NON-STORMWATER DISCHARGE: Discharge to the municipal storm drain system not composed entirely of stormwater.

PERSON: An individual, partnership, association, firm, company, trust, corporation, agency, unincorporated entity, business enterprise, authority, department or political subdivision of the Commonwealth or the federal government, to the extent permitted by law, and any officer, employee, or agent of such person.

POLLUTANT: Any element or property of sewage, agricultural, industrial or commercial waste, runoff, leachate, heated effluent, or other matter whether originating at a point or nonpoint source, that is or may be introduced into any sewage treatment works or waters of the Commonwealth. Pollutants shall include without limitation:

(1) paints, varnishes, and solvents;

(2) oil and other automotive fluids;

(3) yard wastes;

(4) refuse, rubbish, garbage, litter, or other discarded or abandoned objects;

(5) pesticides, herbicides, and fertilizers, unless applied in accordance with manufacturer's instructions;

(6) hazardous materials and wastes; sewage, fecal coliform and pathogens;

(7) dissolved and particulate metals above EPA's ambient water quality criteria;

(8) animal wastes;

(9) rock, sand, salt, soils unless applied for the purpose of public safety;

PROCESS WASTEWATER: Water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any material, intermediate product, finished product, or waste product.

RECHARGE: The process by which groundwater is replenished by precipitation through the percolation of runoff and surface water through the soil.

STORMWATER: Storm water runoff, snow melt runoff, and surface water runoff and drainage.

SURFACE WATER DISCHARGE PERMIT. A permit issued by the Department of Environmental Protection (DEP) pursuant to 314 CMR 3.00 that authorizes the discharge of pollutants to waters of the Commonwealth of Massachusetts.

TOXIC OR HAZARDOUS MATERIAL or WASTE: Any material, which because of its quantity, concentration, chemical, corrosive, flammable, reactive, toxic, infectious or radioactive characteristics, either separately or in combination with any substance or substances, constitutes a present or potential threat to human health, safety, welfare, or to the environment. Toxic or hazardous materials include any synthetic organic chemical, petroleum product, heavy metal, radioactive or infectious waste, acid and alkali, and any substance defined as Toxic or Hazardous under M.G.L. Ch.21C and Ch.21E, and the regulations at 310 CMR 30.000 and 310 CMR 40.0000.

WATERCOURSE: A natural or man-made channel through which water flows or a stream of water, including a river, brook or underground stream.

WATERS OF THE COMMONWEALTH: All waters within the jurisdiction of the Commonwealth, including, without limitation, rivers, streams, lakes, ponds, springs, impoundments, estuaries, wetlands, coastal waters, and groundwater.

WASTEWATER: Any sanitary waste, sludge, or septic tank or cesspool overflow, and water that during manufacturing, cleaning or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct or waste product.

Section 3. Applicability

This By-Law shall apply to flows entering the municipally owned storm drainage system.

Section 4. Authority

This By-Law is adopted under the authority granted by the Home Rule Amendment of the Massachusetts Constitution and the Home Rule Procedures Act, and pursuant to the regulations of the federal Clean Water Act found at 40 CFR 122.34.

Section 5. Responsibility for Administration

The Board shall administer, implement and enforce this By-Law. Any powers granted to or duties imposed upon the Board may be delegated in writing by the Board to agents of the Board.

Section 6. Prohibited Activities

Illicit Discharges. No person shall dump, discharge, cause or allow to be discharged any Pollutant or non-stormwater discharge into the municipal separate storm sewer system (MS4), into a watercourse, or into the waters of the Commonwealth.

Obstruction of Municipal Storm Drain System. No person shall obstruct or interfere with the normal flow of stormwater into or out of the municipal storm drain system without prior written approval from the Board.

Section 7. Exemptions

The following activities shall be exempt from the prohibitions under Section 6:

Discharge or flow resulting from firefighting activities.

Discharge or flow resulting from DPW ice and snow control operations

The following non-stormwater discharges or flows are exempt from the prohibition of non-stormwaters provided that the source is not a significant contributor of a pollutant to the municipal storm drain system:

(1) Waterline flushing;

(2) Flow from potable water sources;

(3) Springs;

(4) Natural flow from riparian habitats and wetlands;

(5) Diverted stream flow;

(6) Rising groundwater;

(7) Uncontaminated groundwater infiltration as defined in 40 CFR 35.2005(20), or uncontaminated pumped groundwater;

(8) Water from exterior foundation drains, footing drains (not including active groundwater dewatering systems), crawl space pumps, or air conditioning condensation;

(9) Discharge from landscape irrigation or lawn watering;

(10) Water from individual residential car washing and temporary fundraising car wash events;

(11) Discharge from dechlorinated swimming pool water (less than one ppm chlorine) provided the water is allowed to stand for one week prior to draining and the pool is drained in such a way as not to cause a nuisance;

(12) Discharge from street sweeping;

(13) Dye testing, provided verbal notification is given to the Board or its duly authorized agent prior to the time of the test;

(14) Non-stormwater discharge permitted under an NPDES permit or a Surface Water Discharge Permit, waiver, or waste discharge order administered under the authority of the United States Environmental Protection Agency or the Massachusetts Department of Environmental Protection, provided that the discharge is in full compliance with the requirements of the permit, waiver, or order and applicable laws and regulations;

(15) Discharge for which advanced written approval is received from the Board or its agent as necessary to protect public health, safety, welfare or the environment; and

(16) Discharge allowed under a Planning Board-issued special permit/subdivision approval or under a Conservation Commission-issued Order of Conditions

Section 8. Sump Pumps

All sump pumps tied into the MS4 shall be registered with the Authorized Enforcement Agency. If, for reasons of protecting public health or the environment, the Authorized Enforcement Agency deems it necessary, disconnection of sump pump(s) or pretreatment of discharge may be required.

Section 9. Emergency Suspension of Storm Drainage Access

The Board may suspend MS4 access to any person or property without prior written notice when such suspension is necessary to stop an actual or threatened discharge of pollutants that presents imminent risk of harm to the public health, safety, welfare or the environment. In the event any person fails to comply with an emergency suspension order, the Board may take all reasonable steps to prevent or minimize harm to the public health, safety, welfare or the environment.

Section 10. Notification of Spills

Notwithstanding other requirements of local, state or federal law, as soon as a person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of or suspects a release of materials at that facility or operation resulting in, or which may result in, discharge of pollutants to the MS4 or waters of the Commonwealth, the person shall take all necessary steps to ensure containment, and cleanup of the release. In the event of a release of oil or hazardous materials, the person shall immediately notify the Middleborough Fire and Police Departments. In the event of a release of non-hazardous material, the person shall notify the Authorized Enforcement Agency no later than the next business day. The person shall provide to the Authorized Enforcement Agency written confirmation of all telephone, facsimile or in-person notifications within three business days thereafter. If the discharge of prohibited materials is from a commercial or industrial facility, the facility owner or operator of the facility shall retain on-site a written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.

Section 11. Enforcement

The Board or an authorized agent of the Board shall enforce this By-Law, regulations, orders, violation notices, and enforcement orders, and may pursue all criminal remedies for such violations.

Orders. The Board or an authorized agent of the Board may issue a written order to enforce the provisions of this By-Law or the regulations thereunder, which may include: (a) elimination of illicit connections or discharges to the MS4; (b) performance of monitoring, analyses, and reporting; (c) that unlawful discharges, practices, or operations shall cease and desist; and (d) remediation of contamination in connection therewith.

If the enforcing person determines that abatement or remediation of contamination is required, the order shall set forth a deadline by which such abatement or remediation must be completed.

Remedies Not Exclusive. The remedies listed in these regulations are not exclusive of any other remedies available under any applicable federal, state or local law.

If the property owner violates more than one provision of this By-Law, each provision so violated shall constitute a separate offense.

Entry to Perform Duties Under this By-Law. To the extent permitted by state law, or if authorized by the owner or other party in control of the property, the Board, its agents, officers, and employees may enter upon privately owned property for the purpose of performing their duties under this By-Law and regulations and may make or cause to be made such examinations, surveys or sampling as the Board deems reasonably necessary.

Section 12. Severability

Any person that violates any provision of these regulations may be punished by fines of not more than $300. Each day or portion thereof during which a violation continues shall constitute a separate offense. The Board or its duly authorized agent is an authorized officer to impose such fines.

The provisions of this By-Law are hereby declared to be severable. If any provision, paragraph, sentence, or clause, of this By-Law or the application thereof to any person, establishment, or circumstances shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect the other provisions or application of this By-Law.

Section 13. Transitional Provisions

Property owners shall have 30 days from the effective date of the By-Law to comply with its provisions provided good cause is shown for the failure to comply with the By-Law during that period.

or act anything thereon.

ARTICLE 26. To see if the Town will vote to adopt the following by-law:

Wetlands Administration By-Law

Section 1. Purpose

The purpose of this bylaw is to maintain the quality of surface water, the quality and level of the groundwater table and water recharge areas for existing, or potential water supplies; to protect the public health and safety; to protect persons and property against the hazards of flood water inundation; to protect the community against the costs which may be incurred when unsuitable development occurs in wetland resource areas; and to provide for the reasonable protection and conservation of certain irreplaceable natural features, resources and amenities for the benefit and welfare of the present and future inhabitants of the Town of Middleborough.

Accordingly, this bylaw protects the wetlands, related water resources, and certain adjoining land areas in the Town by providing for prior review and control of activities deemed to have a significant or cumulative adverse effect upon wetlands values. Collectively, the wetlands values protected by this bylaw, include but are not limited to the following: protection of public and private water supply; protection of groundwater supply; flood control; erosion and sedimentation

control;, storm damage prevention; avoidance of water and soil pollution; protection of fisheries, wildlife habitat, rare species habitat including rare plant species; protection of agriculture and aquaculture; and recreation values, deemed important to the community. This bylaw is intended to utilize the Home Rule authority of this municipality to protect additional resource areas, for additional values, with additional standards and procedures to augment those of the Wetlands Protection Act, G.L Ch. 131, §40 and Regulations thereunder, 310 CMR 10.00.

Section 2. Definitions

The following definitions shall apply in the interpretation and implementation of this bylaw.

The term "alter" shall include, without limitation, the following activities when undertaken to, upon, within or affecting resource areas protected by this bylaw:

(a) Removal, excavation, or dredging of soil, sand, gravel, or aggregate materials of any kind;
(b) Changing of preexisting drainage characteristics, flushing characteristics, sedimentation patterns, flow patterns, or flood retention characteristics;
(c) Drainage, or lowering of water level or water table;
(d) Dumping, discharging, or filing with any material which may degrade water quality;
(e) Placing of fill, or removal of material, which would alter elevation
(f) Driving of piles, erection, or expansion of buildings or structures of any kind;
(g) Placing of obstructions or objects in water;
(h) Destruction of plant life including cutting of trees;
(i) Changing temperature, biochemical oxygen demand, or other physical, biological, or chemical characteristics of any waters;
(j) Any activities, changes, or work which may cause or tend to contribute to pollution of any body of water or ground water;
(k) Incremental activities that have or may have a cumulative adverse impact on the resource areas protected by this bylaw.

The term "bank" shall include the land area which normally abuts and confines a water body; the lower boundary being the mean annual low flow level, and the upper boundary being the first observable break in the slope or the mean annual flood level, whichever is higher.

The term "existing" as used in this bylaw shall mean existing as of October 7, 2013.

"Intermittent stream": a stream shall be considered intermittent if it is observed not flowing for four consecutive days in a 12-month period and the absence of flow is not due to a period of extended drought, withdrawals, impoundments, or other man-made flow reductions or diversions.

The term "isolated land subject to flooding" shall include an area, depression, or basin that holds at minimum one-quarter acre-foot of water and at least six inches of standing water once a year. Not included are swimming pools, artificially lined ponds or pools, or constructed wastewater lagoons. The buffer zone for isolated land subject to flooding shall be 25 feet.

The term "person" shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof to the extent subject to town bylaws, administrative agency, public or quasi-public corporation or body, this municipality, and any other legal entity, its legal representatives, agents, or assigns.

The term "pond" shall include any open body of fresh water with a surface area observed or recorded within the last ten years of at least 5,000 square feet. Ponds shall contain standing water except for periods of extended drought. Not included are swimming pools, artificially lined ponds or pools, or constructed wastewater lagoons.

The term "rare species" shall include, without limitation, all vertebrate and invertebrate animals and plant species listed as endangered, threatened or of special concern by the Massachusetts Division of Fisheries and Wildlife regardless of whether the site in which they occur has been previously identified by the Division.

The term "200-foot riverfront area" shall mean that area of land situated between a river or perennial stream's mean annual high-water line and a parallel line located two-hundred feet away, measured horizontally from the river's mean annual high-water line.

The term "river" or "perennial stream" shall mean a naturally flowing body of water that empties to any ocean, lake, or other river and which flows throughout the year. The Conservation Commission may by regulations set criteria for determining whether a particular stream or section of stream flows throughout the year.

The term "stream" shall mean any body of running water which moves in a definite channel in the ground due to a hydraulic gradient. A portion of a stream may flow through a culvert or beneath a bridge. Streams may be perennial (see river) or intermittent (see intermittent stream).

The term "vernal pool" shall be defined under the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations thereunder, 310 CMR 10.00.

Except as otherwise provided in this bylaw or in regulations of the Conservation Commission the definitions of terms in this bylaw shall be as set forth in the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00.

Section 3. Jurisdiction

In accordance with this purpose no person shall remove, fill, dredge, build upon, degrade, pollute, discharge into, or otherwise alter the following resource areas:

Vegetated wetlands (including marshes, wet meadows, bogs, and swamps); vernal pools; banks; reservoirs; lakes; ponds; rivers; streams; creeks; lands under water bodies; lands subject to flooding; and lands within 100 feet of any of the aforesaid resource areas;
isolated lands subject to flooding and lands within 25 feet of isolated lands subject to flooding; or, riverfront areas without a permit from the Conservation Commission or as is provided by this

bylaw. No permit application shall be required for the maintenance of legally existing structures or landscapes within the jurisdiction defined above.

Section 4. Conditional Exceptions

The application and permit required by this bylaw shall not be required for maintaining, repairing, or replacing, but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public to provide electric, gas, water, telephone, telegraph or other telecommunication services, provided that written notice has been given to the Conservation Commission prior to commencement of work, and provided that the work conforms to performance standards and design specifications in regulations adopted by the Conservation Commission.

The application and permit required by this bylaw shall not be required for emergency projects necessary for the protection of the health and safety of the public, provided that the work is to be performed by or has been ordered to be performed by an agency of the Commonwealth or a political subdivision thereof; provided that advance notice, oral or written, has been given to the Conservation Commission prior to commencement of work or within 24 hours after commencement; provided that the Conservation Commission or its agent certifies the work as an emergency project; provided that the work is performed only for the time and place approved by the Conservation Commission for the limited purposes necessary to abate the emergency; and provided that within 21 days of commencement of an emergency project a permit application shall be filed with the Conservation Commission for review as provided by this bylaw. Upon failure to meet these and other requirements of the Conservation Commission, the Conservation Commission may, after notice and public hearing, revoke or modify an emergency project approval and order restoration and mitigation measures.

As an Agriculture Community the Middleborough Conservation Commission accepts the Agriculture Exemptions as set forth in the Wetlands Protection Act and Regulations.

Exceptions provided in the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00, shall apply under this bylaw.

Section 5. Applications for Permits and Requests for Determination

Written application shall be filed with the Conservation Commission to perform activities affecting resource areas and buffer zones protected by this bylaw. The permit application shall include such information and plans as are deemed necessary by the Conservation Commission as specified in the bylaw regulations to describe proposed activities and their effects on the resource areas protected by this bylaw. No activities shall commence without receiving and complying with a permit issued pursuant to this bylaw.

Where this bylaw and the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00 have concurrent jurisdiction the Conservation Commission shall accept the Notice of Intent and plans filed under the Wetlands Protection Act as the permit application and plans under this bylaw for those parts of the project where precise overlap exists, provided all pertinent areas and activities subject to the jurisdiction of this bylaw and all information required by bylaw regulations are addressed.

At the time of an application, the applicant shall pay a filing fee specified in regulations of the Conservation Commission.

This fee is not refundable. The fee is in addition to that required by the Wetlands Protection Act, G.L. Ch.131 §40, and Regulations, 310 CMR 10.00. Town, county, state, and federal projects are exempt from the filing fee.

Any person desiring to know whether or not a proposed activity or an area is subject to this bylaw may in writing request a determination from the Conservation Commission. Such a Request for Determination (RFD) shall include information and plans as are deemed necessary by the Conservation Commission.

Upon receipt of a permit application or RFD, or at any point in its deliberations, the Conservation Commission may deem it necessary to obtain expert engineering or other outside consultant services in order to reach a final decision on the application. The specific consultant services may include but are not limited to resource area survey and delineation, analysis of resource area values, including wildlife habitat evaluations, hydrogeologic and drainage analysis, and environmental or land use law. The Conservation Commission adopted the G.L. Ch 44 Section 53G for project review by outside consultants, adopted April 18, 2013.

The entire fee must be received before the initiation of consulting services. Failure by the applicant to pay the requested consultant fee within ten (10) business days of the request for payment shall be cause for the Conservation Commission to declare the application administratively incomplete and deny the permit without prejudice, except in the case of an appeal. The Conservation Commission shall inform the applicant and Department of Environmental Protection (DEP) of such a decision in writing.

Section 6. Notice and Hearings

Any person filing a permit application with the Commission shall within seven (7) days after such person is informed of the date and time of the hearing thereon, give written notice by certified mail (return receipt requested), certificate of mailing or hand delivered, to all abutters, of the project locus, at their mailing addresses shown on the most recent applicable tax list of the assessors, including owners of land directly opposite the property on any public or private street or way, including any in another municipality or across a body of water. The notice to abutters shall have enclosed a copy of the permit application or request, with plans, or shall state where copies may be examined and obtained by abutters. An affidavit of the person providing such notice, with a copy of the notice mailed or delivered, shall be filed with the Commission. When a person requesting a determination is other than the owner, the request, the notice of the hearing, and the determination itself shall be sent by the person requesting a determination to the owner and will be sent registered mail (return receipt requested).

The Commission shall conduct a public hearing on any permit application or RFD, with written notice given at the expense of the applicant, five business days prior to the hearing, in a newspaper of general circulation in the municipality.

The Commission shall commence the public hearing within 21 days from receipt of a completed permit application or RFD unless an extension is authorized in writing by the applicant.

The Commission shall issue its Determination of Applicability in writing within 7 days of the close of the public hearing thereon unless an extension is authorized in writing by the applicant.

The Commission shall issue its permit in writing within 21 days of the close of the public hearing thereon unless an extension is authorized in writing by the applicant.

The Commission shall combine its hearing under this bylaw with the hearing conducted under the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00 in instances of concurrent jurisdiction.

With the consent of the applicant the Commission shall have authority to continue the hearing to a certain date announced at the hearing, for reasons stated at the hearing, which may include receipt of additional information from the applicant or others deemed necessary by the Commission in its discretion, or comments and recommendations of the boards and officials listed in §7. In the event the applicant objects to a continuance or postponement, the hearing shall be closed and the Commission shall take action on such information as is available.

Section 7. Coordination with Other Boards

As appropriate, the Conservation Commission may choose to solicit the advice and opinions of other Town boards and officials in the course of its deliberations. Town boards and officials shall be entitled to file written comments and recommendations with the Commission at or before the public hearing. The Conservation Commission shall take any such comments and recommendations into account but shall not be bound by them. The applicant shall have the right to receive any comments and recommendations, and to respond to them at a hearing of the Commission, prior to final action.

Section 8. Permits and Conditions

The Commission, after a public hearing, shall issue or deny a permit for the activities requested within 21 days of the close of the hearing. If it issues a permit, the Commission shall impose such conditions as it deems necessary or desirable to protect those values, and all activities shall be done in accordance with those conditions. The Commission shall take into account the cumulative adverse effects of loss, degradation, isolation, and replication of protected resource areas throughout the community and the watershed, resulting from past activities, permitted and exempt, and foreseeable future activities.

The Commission is empowered to deny a permit for failure to meet the requirements of this bylaw; for failure to submit necessary information and plans requested by the Commission; for failure to meet the design specifications, performance standards, and other requirements in regulations of the Commission; for failure to avoid or prevent unacceptable significant or cumulative effects upon the resource area values protected by this bylaw; and where no conditions are adequate to protect those values.

Lands within 100 feet of wetlands resource areas are presumed important to the protection of these resources because activities undertaken in close proximity to wetlands and other resources have a high likelihood of adverse impact upon the wetland or other resources, either immediately, as a consequence of construction, or over time, as a consequence of daily operation or existence of the activities. These adverse impacts from construction and use can include, without limitation, erosion, siltation, loss of groundwater recharge, poor water quality, and harm to wildlife habitat. The Commission therefore may require that the applicant maintain a strip of continuous, undisturbed vegetative cover in part or all of the 100-foot area and set other conditions on this area, unless the applicant provides evidence deemed sufficient by the Commission that the area or part of it may be disturbed without harm to the values protected by the law.

A permit shall expire three years from the date of issuance. Any permit shall be renewed for additional one year periods if a request for renewal is received in writing by the Commission at least thirty (30) days prior to expiration of the permit, and providing the Commission finds that (1) good cause has been shown for such extension and (2) such extension will not have significant adverse effects, immediate or cumulative, upon any of the wetland values protected by this bylaw. Notwithstanding the above, a permit may contain requirements which shall be enforceable for a stated number of years, indefinitely, or until permanent protection is in place, and shall apply to all owners of the land.

The Commission shall, after receiving a written request for a Certificate of Compliance, inspect the resource area and buffer zone where any activity governed by a permit issued under this bylaw was carried out. If such activity has been completed in accordance with said permit, the Commission shall within twenty-one (21) days after such a request issue a Certificate of Compliance evidencing such determination, which may in an appropriate case be combined with a Certificate of Compliance issued under the Wetlands Protection Act. A Certificate of Compliance may specify conditions in the permit, which will continue to apply for a fixed number of years or permanently and shall apply to all owners of the land.

Violations of this bylaw, submission of false or erroneous information, or new information that substantially alters the likely impact of the project on wetlands resources or values may cause the Commission to revoke or modify a permit or determination issued under this bylaw after notice to the public, abutters, and town boards, pursuant to §5 and §6, and a public hearing.

The Commission in an appropriate case may combine the permit or determination issued under this bylaw with the Order of Conditions or Determination of Applicability issued under the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00.

No work proposed in any permit application shall be undertaken until the permit issued by the Commission with respect to such work has been recorded in the registry of deeds, or, if the land affected is registered land (in the registry section of the land court for the district wherein the land lies) and until the holder of the permit certifies in writing to the Commission that the permit has been recorded. Such certification shall include the book and page or instrument number and date.

Section 9. Regulations

After the public notice and public hearing, the Commission shall promulgate reasonable rules and regulations to effectuate the purposes of this bylaw voted and filed with the Town Clerk. Failure by the Commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this bylaw.

At a minimum these regulations shall define key terms in this bylaw consistent with the bylaw and procedures governing the amount and filing of fees.

Section 10. Security

As part of a permit issued under this bylaw, in addition to any security required by any other municipal or state board, agency, or official, the Commission may require that the performance and observance of the conditions imposed thereunder (including conditions requiring mitigation work) be secured wholly or in part by a proper bond or deposit of money or negotiable securities or other undertaking of financial responsibility sufficient in the opinion of the Commission, to be released in whole or in part upon issuance of a Certificate of Compliance for work performed pursuant to the permit.

Section 11. Enforcement

No person shall remove, fill, dredge, build upon, degrade, or otherwise alter resource areas and buffer zones protected by this bylaw, or cause, suffer, or allow such activity, or leave in place unauthorized fill, or otherwise fail to restore illegally altered land to its original condition, or fail to comply with a permit or an enforcement order issued pursuant to this bylaw.

Where the Commission deems it necessary to carry out its duties under this bylaw by entering privately owned land it shall do so with the authority of the property owner and shall be subject to the limitations imposed by the applicable federal and state laws. With the authority of the property owner or his/her designee the Commission may make or cause to be made such examinations, surveys, or sampling as the Commission deems necessary.

The Commission shall have authority to enforce this bylaw, its regulations, and permits issued thereunder by violation notices, administrative orders, and civil and criminal court actions. Any person who violates provisions of this bylaw may be ordered to restore the property to its original condition and take other action deemed necessary.

Municipal boards and officers, including any police officer or other officer having police powers, shall have authority to assist the Commission in enforcement.

The Conservation Commission can establish fines for the above violations through the Regulations should the Town of Middleborough adopt G.L. Ch. 40, §21D.

Section 12. Burden of Proof

The applicant for a permit shall have the burden of proving by a preponderance of credible evidence that the work proposed in the permit application will not have significant or cumulative negative effect upon the resource area values protected by this bylaw. Failure to provide evidence that in the judgment of the Commission is adequate to support this burden shall be sufficient cause for the Commission to deny a permit or grant a permit with conditions.

Section 13. Appeals

A decision of the Conservation Commission made under or pursuant to this by-law, shall be reviewable in the Superior Court in accordance with G.L Ch. 249, §4.

Section 14. Relation to the Wetlands Protection Act

This bylaw is adopted under G.L. CH. 43B Home Rule Amendment of the Massachusetts Constitution and the Home Rule statutes, independent of the Wetlands Protection Act, G.L. Ch. 131 §40, and Regulations, 310 CMR 10.00, thereunder.

Section 15. Severability

The invalidity of any section or provision or phase of this bylaw shall not invalidate any other section or provision or phrase thereof, nor shall it invalidate any permit or determination which previously has been issued.

or act anything thereon.

ARTICLE 27. To see if the Town will vote to accept Veronica Lane as a Town way as laid out by the Board of Selectmen and to authorize the Selectmen to acquire by eminent domain or by gift the fee in the way as shown on the road layout plan, on file with the Town Clerk entitled "As-Built-Street Acceptance Plan – Veronica Lane – Acorn Ridge Subdivision, Middleborough, Mass" dated February 2, 1993, revised August 28, 2013, prepared by Michael J. Koska & Associates, Inc., and any related easements, to authorize the Board to complete construction of the way and related easements, to raise and appropriate a sum of money by borrowing for the cost of construction, and to meet this appropriation to authorize the Treasurer, with the approval of the Board of Selectmen, to borrow a sum of money under General Laws, Chapter 44 and to authorize the Board of Selectmen to assess betterments for the cost of construction under General Laws, Chapter 80, or act anything thereon.

ARTICLE 28. To see if the Town will vote to accept Tall Oak Drive as a Town way as laid out by the Board of Selectmen and to authorize the Selectmen to acquire by eminent domain, or by gift, the fee in the way and related easements as shown on the road layout plan, on file with the Town Clerk entitled "As-Built Acceptance Plan, Tall Oak Drive" dated October 21, 1994 and revised on September 8, 1995, By James E. Miller P.E., and any related easements, or act anything thereon.

ARTICLE 29. To see if the Town will vote to accept Dona Drive as a Town way as laid out by the Board of Selectmen and to authorize the Selectmen to acquire by eminent domain, or by gift, the fee in the way and related easements as shown on the road layout plan, on file with the Town Clerk entitled "Roadway As-Built in Middleborough, MA, Dona Estates Subdivision, Dona Drive" dated 7/24/2013, prepared by AZOR Land Sciences, Inc., and any related easements, or act anything thereon.

ARTICLE 30. To see if the Town will vote to transfer the care, custody, management and control of certain real estate on the northerly side of Wareham Street and being part of Lot 872 on Assessors Map 58D and being sometimes known as Thomas Memorial Park from the Municipal Light Board (Gas & Electric Commission) to the Board of Selectmen, Park Commission or other Town Board for the same purpose as the real estate is currently used for, such real estate consisting of 2.69 acres of land more or less and being bounded southerly by Wareham Street, westerly by a chain link fence located easterly of the main building at the Wareham Street Electric Station, northerly by Lot 828 on Assessors Map 58D and easterly in part by the Nemasket River and in part by land shown as Lot 1638 on Assessors Map 58D, or act anything thereon.

ARTICLE 31. To see if the Town will vote to authorize the Municipal Light Board (Gas & Electric Commission) to acquire by gift on behalf of the Town easements for the transmission of gas and electric services in private ways off North Street known as Peirce Lane and Weston Avenue, or act anything thereon.

ARTICLE 32. To see if the Town will vote to authorize the Board of Selectmen to accept conveyance for the Town from the Plymouth County Commissioners of a portion of the Taunton Avenue County highway layout which is to be discontinued and which contains a cross located in an island part of the layout and to accept conveyance for the Town from the Commonwealth of Massachusetts of a portion of the State highway layout for Route 28 (West Grove Street) which is to be discontinued, such portion being located adjacent to the aforesaid portion of the County highway layout, to discontinue as a Town way the said portion of the State highway layout to be effective when the Commonwealth discontinues that portion as a State highway, to transfer the care, custody, management and control of said portions of the County and State highway layouts to the Board of Selectmen for the purpose of sale, and to authorize the Board of Selectmen to sell and convey the said portions of the County and State highway layouts on such terms and conditions determined by the Board, or act anything thereon.

ARTICLE 33. To see if the Town will vote to appropriate the sum of $210,000 from the proceeds of surety pursuant to the Subdivision Control Law, MGL Chapter 41 Section 81U, from the subdivision known as Fernway Estates which is in default of completion, to be made available to the Planning Board for expenditure to meet the cost and expenses for completing the work as specified in the approved subdivision plan, or act anything thereon.

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to amend the Intermunicipal Agreement with the Town of Lakeville, which permits Middleborough to provide water services to existing Lakeville customers, by adding a new residential customer located at 37 Bridge Street, or act anything thereon

Given, under our hands at Middleborough, this 16th day of September, 2013.
