**DESIGNATION AND CLASSIFICATION AS
SPECIAL MUNICIPAL EMPLOYEE**

The Town of Middleborough is a member of the Southeastern Regional Services Group (SERSG), a consortium of nineteen cities and towns in Southeastern Massachusetts formed pursuant to an intermunicipal agreement conforming to Chapter 40, Section 4A of the General Laws. The SERSG municipalities have determined that an important benefit of intermunicipal cooperation can be obtained through joint procurement of certain commonly needed municipal supplies and services. SERSG, acting through its Regional Administrator, organizes such procurements and administers certain portions of them. Final awarding authority is retained by each municipality as is post-award contract administration.

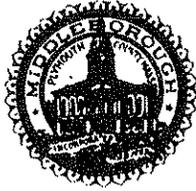

By a separate writing, the Chief Procurement Officer of this municipality is delegating to the Regional Administrator in accordance with Chapter 30B, Section 19 of the General Laws, certain of his/her procurement powers to facilitate the joint SERSG procurements. Section 30B contemplates delegation of procurement power to "an employee."

Accordingly, in accordance with Chapter 268A of the General Laws we hereby designate and classify the SERSG Regional Administrator from time-to-time as a special municipal employee of this municipality to the extent necessary to receive and act upon the delegation of procurement power described above.

The designation and classification made herein shall continue in full force and effect until revoked or modified by further action of the Board.

Given this ___ day of _____ 2011 at Middleborough, Massachusetts.

Dear Chairman Cromwell:

It has come to the Middleborough Board of Selectmen's attention that the Town has not received the FY 2013 Pre-Opening Mitigation – Planning Payment as identified in Section 5.A of the Intergovernmental Agreement. Said payment should have been received by the Town for the start of the fiscal year on July 1, 2012.

Thank you in advance for your attention to this matter. Should you have any questions, please do not hesitate to contact Charles J. Cristello, Town Manager at (508) 947- 0928.

MEMORANDUM

TO: Police Station Building Committee
FROM: Charles Cristello, Town Manager 
RE: Designer Selection for Feasibility Study
DATE: July 6, 2012

CC: Board of Selectmen

It has come to my attention that we must go through the designer selection process before we proceed to study the renovation/addition option to the existing police station. However, Chapter 7 Section 38 does allow municipalities to elect to solicit design proposals with the option of allowing the study designer to also perform the final design. This seems to me to be the most sensible and efficient approach. I am asking the Board of Selectmen Monday to allow me to consult with Robert Garrity of Garrity & Knisely on the development of the proper form of solicitation as well as a design contract, which will be part of the solicitation. Mr. Garrity specializes in advising building committees on public construction projects. He also served on two building committees in the Town of Hingham.

I expect to have these documents ready for our meeting on Monday, July 16 for your review and approval. We could then advertise in the Central Register for publication on July 25th.
