RE: Zoning enforcement case –  
Plymouth Superior Court Preliminary Injunction

Dear Mr. and Mrs. Tracey:

You are aware that the preliminary injunction issued by the court provides that you have ninety days from January 15, 2013 to come into compliance with the injunction. The date for compliance is April 15, 2013.

The Building Commissioner and a representative from the Animal Control Department will want to inspect the affected properties on or about April 16, 2013 to determine compliance with the injunction. Please contact me to make arrangements for inspection.

Very truly yours,

Daniel F. Murray

## The Middleborough Public Schools' District Emergency Response Team

"The Mission of the Middleborough Public Schools' District Emergency Response Team is to ensure the safety of the entire MPS community by developing and implementing district-wide safety protocols and procedures."

In an effort to achieve our mission, we believe it is important to solicit input from our community. We would like to invite you to be a member of our MPS DERT Community Advisory Council, a diverse team of community members, who will provide insight and perspective regarding school safety. Our first meeting will take place on **Wednesday, March 20, 2013 from 4:30-5:30pm** in the Middleborough High School Library. After our initial meeting, we expect to convene once or twice more between May and August, as needed. Being a member of our Community Advisory Council is not a prohibitive time commitment, but will play an integral part of achieving our district's safety mission. We hope you will join us. Please RSVP to Andy Dizel or Elizabeth Haskell.

We look forward to working with you!

Sincerely,

Andy Dizel
