MEMORANDUM

To: Board of Selectmen
From: Charles J. Cristello, Town Manager *CA*
Date: October 1, 2008
Subject: Goals and Objectives

Below please find the 20 goals that you brainstormed at your meeting last week. The next step is to set your priorities. I will have all 20 goals on large sheets of paper on easels for your meeting. I suggest on Monday evening that each of you vote for three goals in order of your own individual priorities. Your highest priority goal would have a value of 3, your next priority would have 2 and your final priority would have 1. We would then tally up the votes and those goals with most votes would be the priority goals for the year.
