RE: Holton Family Campground – remand hearing (license case)

Dear Charlie:

I enclose a letter received from counsel asking the Board to re-open the record of the 2/8/10 hearing to add certain enumerated documents to the record. I see no reason to grant the request. Most of the documents mentioned are not relevant to the hearing. The case involves licenses for 2003 through 2007 only.

Please review this request with the Board and advise whether the Board will grant the request.

Very truly yours,

Daniel F. Murray

RE: Holton v. Midd. Board of Health, PLCV 2003-591-A

Dear Attorney Murray:

With regard to the remand public hearing held last night in this matter, I am writing on behalf of the Applicant (Holton) to request that the Record of said hearing be re-opened for the limited purpose of adding the following documents to the Record:

1. Copies of 1992 and 1993 campground licenses;
2. Copy of June 12, 2009 letter from the Board denying the 2009 license;
3. Copy of letter to Mrs. Holton from her current septic system pumper; and
4. Copy of paper(s) containing Motions drafted prior to the hearing that the Board Members had and used at the hearing but refused to provide to the Applicant.

I understand that all of the above documents were referred to by one or more speakers during the hearing. Thank you for your courtesy and cooperation.

Yours truly,

John J. Gushue
