Subject: BOS meeting March 15th

Hi Jackie,

I have a baseline document for the Caparotta property on Miller Street that the town just purchased that I need the BOS to sign. Could this be done at the March 15th meeting? It is not critical, although I would like to get it done and off my desk ☺

Let me know if you can squeeze it in. It is the baseline document for the Conservation Restriction on the property the shows what the property looks like in its current condition at the time of purchase. Then we have some evidence if there is any destruction by a private party in the future (like a fire, dumping of trash etc...)

Thanks!

Tricia
