Good Morning Mr. Ewell,

The Board has a couple of questions that it would like answered:

1. Since it is a "banner" that you are asking to display, the Board would like to know exactly how the banner will be put up.
2. The Board wants confirmation that Pratt Farm will still be available in light of the recent flood damage.
3. Permission is required by the Conservation Commission to utilize Pratt Farm. Do you have permission?

It would be best to have the answers to numbers 2 and 3 in writing from the appropriate Town department/officials.

If you have the answers, please forward to me. If not, I will contact the Conservation Commission as soon as I am able.

The Board will vote on the matter next Monday evening so long as this information is available for its consideration. If at all possible, I would suggest that you attend the meeting so that you can answer any further questions that the Board may have.

Please let me know if you need me to speak with the Conservation Commission department.

Thank you.

Jackie

Jackie,

I was hoping to be at the meeting tonight, but I wasn't able to make it. Do you know what the group decided?

Thank you again,

Bob Ewell

I have received your email request. Unfortunately, because I did not receive it until today, and the Board's agenda is finalized by Wednesday's at Noon, I will have to put it on for the next meeting. The next meeting is 4/5 at 7 PM.

Again, it would be best if you are in attendance.

Jackie

Middleboro Board of Selectmen,

My name is Robert Ewell. I am on the board of directors of the Samuel Fuller School, a small Classical Christian school in town. We are hosting our third annual fundraising trail race at the Pratt Farm on May 8th. I am requesting permission to place an advertising banner on the lawn of the town hall from April 17th to May 7th. If you have any questions, please feel free to email me at ewellrobert@gmail.com or call me at (508) 212-4449.

Thank you,
Robert Ewell

We are going to tack it on a wooden frame that will be staked into the ground. It will be raised up of the ground just a few feet.

I received necessary feedback from the Conservation Agent. I do, however, still need some explanation/description of how you intend to hang the banner as this was also a question by the Board.

Thank you.

Hi Jackie,

Attached is the information for the Samuel Fuller School Road Race that a portion of will take place at the Pratt Farm.

I went out to the Farm on Saturday and felt the trails are ok with the exception of the dam area at Stoney Brook Pond. I feel it is ok for the group to go forward with the race. The Commission will be looking at the application again on Thursday night but the race was approved on November 19, 2009.

Hope this is what you need for them to move forward with their event.

Thanks,

Tricia
